A business celebrated its fifth anniversary with an open day.

Oakam Ltd, a retail financial services provider in South Street, Romford, invited customers to visit throughout the day.

Last Friday there was a raffle, refreshments and an anniversary cake was cut.

Frederic Nze, CEO of Oakam, said: "We thoroughly enjoyed celebrating our fifth anniversary with our

customers who have helped to build and shape us thus far.

"Oakam prides itself on its high level of service and we truly believe this is behind the success of the brand as a whole."
